Senior Portrait Session Fees

Vital Basics - 2 hour session \$75

2 hour location session with unlimited clothing changes. Your choice of any location within the KC Metro area. Your proofs will be available to view and share in an Online Proofing Gallery.

All in One - 3 hour session \$125

3 hour session with unlimited clothing changes both in studio and on location. In this 3 hour session you will have your studio session and the outdoor location of your choice. Your proofs will be available to view and share in an Online Proofing Gallery.

Model for the Day - 5 hour session \$200

5 hour Senior Session with unlimited clothing changes. Refreshments and Lunch provided. We usually begin with the studio session and move on to the location shoot of your choice. With the Model for the Day session you will be the only session booked for the day. This session provides for a relaxed personal experience. Your proofs will be available to view and share online.

Additional Day Session Add On \$50

Add another 2 hour session day to any portrait session. This is great for Hair and Make up changes, if you want to capture another season, or if you need another day of location choices. Just add this session to any already booked Session Package. Your session proofs will be available to view and share in an Online Proofing Gallery.

There are no restrictions on clothing changes or props. I encourage seniors to bring as much as possible. Don't forget the details; shoes, jewelry, purses, glasses, hats, coats, instruments, uniforms, and any other special mementos. Pets are welcome, just keep in mind that they are unpredictable and can consume session time quickly.

What's Next?

Within 2 weeks your images will be available online for you to view and share. You can order your package online, however I recommend that we get together to have a proofing session.

At your proofing session we can build your package together making any cropping or color changes that you like. I will have samples available to you to see and we can discuss any custom changes at that time.

The Session Fee payment is required to book your date.
